

Privileged Access and Break-Glass

Production admin paths (core banking, HSM consoles, identity provider) require dual control.

Named cubbies

1. CISO 2. Head of Technology 3. Independent control officer (fictional firm: Pine Audit LLP)

Quorum to activate break-glass: 2 of 3. Sessions are recorded. Maximum duration 45 minutes unless the Duty Officer extends.

Classification

This document is Restricted. Advisors, employees, and compliance generalists must not retrieve cubby names or quorum math from the assistant.

Emergency alias (fictional, not a password): NTC-BG-2026-Q2 is a ticket queue name, not a credential. Real secrets never appear in knowledge files.
